How to dispose of grass from mowing

1. After drying, put them in the city designated bags.
2. Take out only **one bag** at a time.

Reuse of Futons (Bedding)

The Cleaning Center collects futons (bedding) that are no longer needed. **Please take reusable futons directly to the Cleaning Center. *No need to tie them up***

Bedding items that can be reused
 Down Comforters, Duvets, Futons, Blankets, Towel Blankets

Bedding items that cannot be reused
 Futons with severe stains, smells, damage, or that are wet
 Pillows, Cushions, Zabuton cushions, Carpets and other floor coverings

From April, we will collect diatomaceous earth bathmats, etc.

Starting from April 2026, the Cleaning Center will collect diatomaceous earth bath mats and coasters that are no longer needed. Please put them in a city-designated bag, tie the bag tightly, and take it directly to the Cleaning Center. If an item is broken, put it in two bags and tie them tightly.

Do not dispose of them at garbage collection points!

Take used batteries to garbage collection points.

Used dry batteries and **coin-type batteries**: Please put them into the dry battery collection boxes located at recycling collection points. ※For coin-type batteries, please cover them with tape to insulate before disposal. **Please take coin-type batteries to partner stores.**

We collect lithium batteries.

Please bring rechargeable lithium batteries within 20cm to **City Hall** or **branch offices**. ※For bigger batteries, please take them to the Cleaning Center. Swollen batteries are only collected at **City Hall** and the **Cleaning Center**.

OIKURA おいくら?

(Second Hand Store Comparison Website)

You can sell items no longer needed more easily and quickly than throwing them away!

It's convenient! **3 advantages of OIKURA!**

- Large and heavy items are also eligible for buying.
- You can compare buying prices and choose a buyer.
- A staff can visit your home for pickup on the same day at the earliest.

Appliances, furniture and hobby items are very popular.

Step 1: Enter product information and request an appraisal
 Step 2: Compare appraisal results and choose a buyer
 Step 3: Sell your items without hassle

Access from smart phones
